

Play, Stay, & Dine.

After you have experienced a lazy ride on the I&M Canal boat, hiked through the canyon-filled state parks, or shopped in the area's diverse boutiques, you now have a big appetite to satisfy.

Come to Oglesby and sample uniquely local flavors.

You will find the right place here—a fun, nostalgia filled classic 1950s drive-in, or a scrumptious home-cooked lunch and dinner buffet or quite possibly the best authentic Mexican cuisine this side of the border.
